My Light and My Salvation

June 30, 2019

Psalm 27

Use this resource at home to guide your household's daily devotions.

Pray: Light a candle. Open your devotion with prayer.

Gracious Lord, you bid us to put all our trust in you. Give us faith in your unfailing strength and light, even when we feel surrounded by darkness. For the sake of Jesus we pray, amen.

Read: Read the key verse from Sunday's reading.

*The Lord is my light and my salvation;
whom shall I fear? (Psalm 27:1)*

Reflect: Reflect on the scripture summary.

The psalmist, David, is struggling. His enemies are closing in, and he seeks shelter from God. Despite his challenges, David trusts in a God of light, protection, and faithfulness.

Connect: Connect in conversation with others in your household.

What was a high point of your day? What was a low point? Political opponents often treat each other as enemies, and bitter fights occur. What might change if they saw one another as people, or even friends, who don't agree?

Are you ever your own worst enemy? Share a time when you were not kind to yourself, and how you overcame the self attack. Where is God when you feel under attack?

For the littles: Has anyone hurt your feelings? God loves you even when you are hurt.

Bless: Close your devotion with a blessing.

May the Lord of light shine brightly upon your heart and life no matter what you face. Amen.

Do: By acting on what we learn, we make God's word come alive. Do the following activity this week.

Instead of attacking your enemies, why not share the light of God with them? Write a letter to a public leader you disagree with; not to complain, but to share with them that they are a beloved child of God.
